

**First information about the proposed
Next International Congress on Ultrasound
in Gdansk**

2011 September 4...7

**Institute of Experimental Physics
University of Gdansk**

GDANSK 2009

Conference venue:

UNIVERSITY CAMPUS
University of Gdańsk (UG)

We have to our disposal at the CAMPUS

Auditoriums – 600 seats, 400s, 200s, 150s, & several smaller halls

Organizing Institutions:

The organizers of the 2011 ICU Gdańsk are the UG
University of Gdańsk
represented by the Institute of Experimental Physics,
PTA (Polish Acoustical Society) & Committee on Acoustics of
Polish Academy of Sciences

Contact:

2011 ICU Gdańsk
Bogumil B.J. Linde

Institute of Experimental Physics, UG Gdansk
Wita Stwosza 57 88-952 Gdańsk, Poland
Phone: +48 58 523-22-54, Fax: +48 58 341-31-75
e-Mail: fizb@univ.gda.pl

**Gdansk Division of Polish Acoustical Society
is prepared for such a challenge.**

**In our region there are 8 scientific groups
engaged in ultrasonic research:
acousto-optics, molecular acoustics, hydro-
acoustics, solid states acoustic, photo-
acoustics and each of these groups has lots of
quite great achievements in the field of
ultrasound investigations.**

The Faculty of Mathematics, Physics & Computer Science
One of the buildings where the CONGRESS could take place

The connection to & from the Campus

3 min walking distance to Tram lines
No 6, 12,15

10 min walking distance to SKM
(spidy local train)
